

HOFFMANN EITLE
MADRID | BARCELONA

HOFFMANN EITLE S.L.U. | Paseo de la Castellana 140 | 28046 Madrid

Patent Attorney for our Life Sciences team

Hoffmann Eitle is a leading international IP law firm with offices in Munich, London, Düsseldorf, Hamburg, Milan, Madrid, Amsterdam and Barcelona. The Madrid and Barcelona offices are part of the Spanish subsidiary Hoffmann Eitle S.L.U.

We are looking for a **qualified or partly qualified European patent attorney with a background in life sciences** to join our team in **Barcelona**.

Candidate profile:

The candidate should have a strong scientific background in Biomedicine. A degree in Biochemistry, Pharmacy, Chemistry, Biotechnology, Biology, Biomedicine or similar is required; a PhD and international experience being positively regarded.

The candidate should be a qualified or partly qualified European patent attorney with at least 4 years of experience as patent attorney/trainee. The Spanish patent attorney qualification would be an asset.

Fluency in Spanish and English is required, the knowledge of Catalan being a plus.

The ideal candidate must have incredible communication skills and the ability to explain, clarify and simplify complex technical information. He/She should also have an excellent legal and scientific knowledge and display a deep understanding of an invention and its technical aspects with the ability to articulate this information in a clear manner.

Benefits:

- Competitive salary and excellent income opportunities;
- Training is offered for the preparation of the EQE for non-patent agents and continuous education for qualified agents;
- Health insurance;
